Dear Friends,

Today we see two sisters - Martha and Mary. They represent two different approaches to Jesus. The two sisters' style of hospitality is very different: Mary just sits in his presence, Martha wants to have everything right for him. Mary gives him nothing but her attention, Martha gives him everything except her attention. We could say a lot about each of the sisters, but I would express the difference this way: Martha wanted Jesus to listen to her, while Mary wanted to listen to Jesus.

Do we really take the words of Jesus to heart and try to listen to Jesus?

We have to think about that if our prayer-time fails to provide us with inspiration for our daily living, then is there too much of Martha in our lives, and not enough of Mary?

Fr Moses
