## **COVID-19 update**

The NSW Government has announced a further easing of COVID-19 restrictions on churches, which are in place this weekend. Singing is now allowed in places of worship, as long as masks are worn and a one person per four square metre rule is observed. If no congregational singing takes place, places of worship are allowed to have one person per two-square-metres with no maximum cap. Up to 300 people can attend funerals and weddings, providing a two square metre rule is observed.

The COVID Safe Plan for Places of Worship strongly encourages electronic collection of worshippers' names and contact details. Many parishes are doing this by online registration for Masses rather than a QR code and can continue doing so. Parishes may keep paper records and then transfer this data across into an electronic format. Record keeping is compulsory.

## **COVID-19 Safety Plan**

Our Covid-19 Safety Plan (copy available in Church) states :

1. All must be aware of content of Safety Plan.
2. Those with Flu symptoms must not enter the Church.
3. Sanitizing hands and registration strict requirement in order to come inside the Church.
4. Congregational singing prohibited.
5. Required sanitization of the seats before and after mass.
6. Holy Communion on hand. Keep 2 square meters when receiving communion.
7. Social distancing .
8. Strict prohibition of gatherings after the mass, in the foyer or outside the door of the Church.
