### **History of the Feast of Corpus Christi**

In 1263 a German priest, Fr. Peter of Prague stopped in Bolsena, Italy, to celebrate Mass at the Church of St. Christina. At the time he was having doubts about Jesus being truly present in the Blessed Sacrament. In response to his doubt, when he recited the prayer of consecration as he celebrated the Holy Sacrifice of the Mass, blood started seeping from the consecrated host and onto the altar and corporal. Fr. Peter reported this miracle to Pope Urban IV, who at the time was nearby in Orvieto. The pope sent people to investigate and ordered that host and blood-stained corporal be brought to Orvieto. The relics were then placed in the Cathedral of Orvieto, where they remain today. St. Juliana was a nun who had a series of visions, in which she was instructed by Our Lord to establish a liturgical feast for the Holy Eucharist, to which she had a great devotion. After many years of trying, she finally convinced the bishop, the future Pope Urban IV, to create this special feast in honour of the Blessed Sacrament. Soon after her death, Pope Urban instituted Corpus Christi for the Universal Church and celebrated it for the first time in Orvieto in 1264, a year after the Eucharistic Miracle in Bolsena. Inspired by the miracle, Pope Urban asked St. Thomas Aquinas, a Dominican Friar, to compose the Mass and Office for the feast of Corpus Christi. Aquinas composed the hymns *Tantum Ergo*, *Panis Angelicus*, and *O Salutaris Hostia* which are sung on the feast of Corpus Christi as well as throughout the year during Exposition and Benediction of the Blessed Sacrament.
